- Chiltern Hills Pure English Spring Water - a natural source of vitality and health benefits

Chiltern Hills 

Naturally Refreshing

Chiltern Hills Pure English Spring Water

Chiltern Hills Pure English Spring Water is one of the UK's favourite brands of water, supplying thousands of offices throughout the UK with high quality, pure water with a taste that is naturally refreshing.

Bottled at source in the heart of the Chiltern Hills, in a designated area of outstanding natural beauty, the pure water that emerges has been naturally filtered by the specific geological characteristics of this unspoilt landscape, acquiring a unique balance of outstanding taste and refreshment.

We hope you will enjoy our unique brand of water and benefit from the exceptional natural refreshment it brings.
